UNITED MARTIAL ARTS CENTERS CONDITIONS OF REGISTRATION

The Parent/Guardian warrants and represents the camper is in sound physical and mental health and fully able to participate in all camp activities without need of individual or specialized attention or medical regimen and the camper's health will not impinge or impact negatively on other campers or the camp program. This includes any allergies, physical conditions, mobility issues, etc., which may require special attention and, if so, please attach a separate sheet of paper and specify the nature of such condition and the necessary treatment or accommodations. Parent further agrees to advise camp promptly of any change in the camper's physical or mental health between the date of enrollment and start of the camp season.

"I understand that part of the camping experience involves activities and group arrangements and interactions that may be new to my child, and that they come with certain risks and uncertainties beyond what my child may be used to dealing with. I am aware of these risks, and I am assuming them on behalf of my child. I realize that no environment is risk-free, and so I have instructed my child on the importance of abiding by the camp's rules, and my child and I both agree that he or she is familiar with these rules and will obey them."

Parent will advise in writing (below) of his/her camper's history of medical conditions or surgical procedures, therapy programs and or regularly-taken prescriptions medications or special needs: PLEASE BE SPECIFIC.

At any time before opening day or during the camp season United Martial Arts Centers retains the right to cancel this contract if it determines that the physical, mental, medical or emotional condition of the child would prevent him/her from participating safely and satisfactorily in our program or interacting positively with other campers. Also, once United Martial Arts Centers is in session, UMAC can initiate the cancellation of this contract and the dismissal of the child if the child exhibits unacceptable behavior which prevents our staff from safely supervising him/her or proves detrimental to himself/herself, other campers or staff members as determined by UMAC directors.

The parent who signs this registration form represents that he/she has full authority to do so and will be responsible for payment of the camp fees. No refund will be made for early withdrawal of the child before the end of the camp season.

It is agreed that any dispute or cause of action between the parties, whether out of this agreement or otherwise, can only be brought in a court of competent jurisdiction located in Westchester County, N.Y. and shall be construed in accordance with the laws of New York.

United Martial Arts Centers will release your child to either parent (or persons authorized by same) on our site at any time during the day if parental arrangements for pick up have been made beforehand with the camp office. If both parents do not live at the same address, the above procedure will apply unless restricted by a court order. Absent same, disputes between parents must be resolved immediately or United Martial Arts Centers reserves the right to terminate this contract and dismiss the child. Should this action be required, no refund will be made.

The parent irrevocably authorizes and consents to the Camp's use of the child's name, photograph, portrait or image in connection with the Camp's brochure or other promotional or advertising publications and to the Camp's use of a child's and/or child's family's home address and phone number for group and car pool lists. The parents release the camp and shall indemnify and hold the camp harmless from and against any and all claims, liabilities and expenses (including reasonable attorney's fees arising from such use)

"I have read and agree to the above conditions and have filled in the requested information, if any." If there is a written agreement and/or court order pertaining to custody, please attach a copy.

Welcome!

We are continuing our efforts to make our Martial Arts Adventure Camp better every year. This year we plan on continuing these efforts. All campers will be assigned a counselor and senior camper. They are charged with the task of paying particular attention to each camper in their group in order to enhance each camper's individual experience. This also gives you a direct person to contact about any particular information. You will receive a letter from your children's counselor prior to camp and at the conclusion of each week of camp. You will be informed of activities and progress made by your child. End of summer session gratitude is appreciated to these counselors for their extra time and attention.
